Parama Pujya Sri Swamiji's Upadesha 3/10/22 @ KSHT Frisco TX

Jai veera hanuman ki jai.

Jaya Guru Datta Sri Guru Datta

(Sri Swamiji released Bhagavatam 3 volume edition)

SriMadbhagavatam

Sage Vedavyasa says the entire Bhagavatam in 4 shlokas (Samsrkit verses) only each line taking a couple of seconds only depicting supreme God (Paramatma)

Nirgunabrahma (formless almighty) gave Bhagavatam to saguna Brahma (part of the trinity, the creator). Brahma first gave Bhagavatam to sage Narada. After that, these 4 shlokas were expanded to millions by sage Narada and given to sage Vyasa; from sage Vyasa to Shuka Brahma, and then to Ganapathy Sachchidananda Swamiji. Swamiji gave it to our devotees.

Parabrahma --> Brahma --> Narada --> Vyasa --> Shuka --> SGS Swamiji

In Swamiji's life history, it was a big ambition to narrate the stories. I like to speak about the scriptures. Swamiji gave lectures on various scriptures for years. Despite Swamiji's very busy schedule, I have been giving lectures for one or two hours every day. I don't sit idle for even one or two hours. Always want to keep busy and work, only sleeping for a few hours, because the body needs some rest. It is necessary. Rama and Krishna also took some rest. To sustain the body for your sake, some food and some rest are needed. I need to stay for your sake. It is the dharma of the body. This book is now getting translated to English also. I had three desires.

1. Srimad-Bhagavatam (600 hours of lectures) completed

2. Mahabharatam (900 hours of lectures) completed

With a busy schedule and tours, Swamiji completed the lectures. Mahabharata live lectures were completed in corona time and kept all Datta devotees busy. Everyone watched every day for a couple of hours. Starting at 6:30pm India time every day watching the live webcast

3. Ramayana, Now I want to give talks on complete Ramayana

- Bhagavatam is for Bhakti (devotion) and Jnana (knowledge)
- Mahabharatam embodies devotion, knowledge, and vairagya (renunciation).
- I like to talk about Bhagavatam from childhood, but didn't have time. I like to give talks in all languages also.
- In this birth, I can't give lectures in all languages, so I chose the language of Telugu. English translation is going on, and people are happy.
- 3 volumes of Bhagavatam books are available. It is like a yantra protecting us in our household. Bhagavatam means nirguna (formless) Brahma.

janmaadyasya yatonvayaaditarata-shchaarthe-shvabhigyah svaraat

tene brahma hrda ya aadikavaye muhyante yatsoorayah .

dhaamna svena sada nirastakuhakan satyam param dheemahi ..

That one shloka explains Brahma, Narada, and Vyasa. Every Guru says that life is a waste without Bhagavatam. We can see all avatars of God in Bhagavatam such as ten Avataras Lord Vishnu including Rama, Krishna, Vamana, etc, and Avatars of Shiva. There's nothing missing in Bhagavatam.

It will be like protective armor to you and your children forever if you have a copy in your home. I am auctioning the first copy just for happiness. We don't know when we will print the second edition. So, reserve your copy and get it now. This is not a business. These books are published as upadesha (initiation) for devotees. The English version will come out soon.

Do you know today's SGS Posts? (a child reads out the following quotes from the app)

- Be Ready to Help
- Don't get carried away by rumors and gossip
- Victory through the wrong means is cowardice
- Vices make one lose control of the mind.
- Comprehend the truth about the world without delusion.

Several children read out the essays written by them on the drawings on KSHT walls.

All of you must try to analyze, watch Sundara Kanda, read some books, and write essays. Then you will visualize Hanuman and Sundarakanda in your dream. The pictures are very powerful. They give protection and good energy. You must use the pictures. I am very happy.
